[redacted] b7D

On April 3, 1961, PCI advised that on March 29, 1961, a meeting was conducted at Chicago, Illinois, by [redacted] head of the National States Rights Party (NSRP). The meeting commenced with all persons attending a gathering in Room 701, Atlantic Hotel, 316 South Clark Street, Chicago, Illinois. The room was a guest room rented by [redacted] under his own name and those attending were directed to the room by inquiring at the hotel desk for [redacted] room.

b6
b7C

PCI stated that the group from the Fighting American Nationalists (FAN) arrived at the hotel at approximately 7:00 p.m. This group consisted of [redacted] KENNETH FLECK, ALVIN BIOLOBRZESKI, [redacted] and one JACK VON BERG (ph).

b6
b7C

Upon arrival introductions began and [redacted] immediately told [redacted] that he was not welcome and that he could leave the same way he came in. Source stated that the room [redacted] had rented soon became crowded and [redacted] dispatched MAX NELSON and [redacted] to secure larger accommodations.

b6
b7C

PCI stated that the following were the only persons present who were known to him or who were introduced to him during the course of the meeting:

[redacted]
b6
b7C
b7D

[redacted]

PCI stated that the following are individuals unknown to him concerning whom only part of the name is known or where the name is unknown a description is available to the source:

(FNU) [redacted] white, male, Milwaukee, Wisconsin, 6' 2", 175 pounds, medium build, early 30s, [redacted] hair, [redacted] eyes

b6
b7C

(FNU) [redacted] (ph), white, male, Milwaukee, Wisconsin, 6'1" - 6'2", 30s, 180 pounds, medium build, [redacted] hair, [redacted] eyes.

[redacted]

Concerning these individuals PCI stated both indicated they are NSRP members. Source learned that [redacted] advised that he had secured KENNETH FLECK's telephone number from the American Nazi Party (ANP) Headquarters in Arlington, Virginia.

PCI advised that an unknown white male accompanied [redacted] Source described this individual as in his late 40s, 6', 160 - 170 pounds, [redacted] hair and [redacted]

PCI stated that VON BERG is a friend of [redacted]. He is approximately 30 years old, has a prominent red beard and operates a book shop on Broadway near Addison.

PCI stated that from thirty to thirty-five people were present during the evening. The meeting, source stated, was the most confused and ill-planned affair he has ever attended and as a result of the confusion that prevailed it was difficult or impossible to secure the identities or descriptions of all in attendance.

MAX NELSON appeared to be closely associated with [redacted] and gave the appearance of being in charge of the operation as far as details in Chicago were concerned. In this connection source learned that no NSRP group actually exists in the Chicago area.

[redacted] b7D

Shortly before 8:00 p.m. someone unknown to source secured a meeting place at Joe Sacco's Bar almost directly across Clark Street from the Atlantic Hotel. The group adjourned from [redacted] hotel room to the bar, where they met on a balcony located at the rear of the bar. Source stated that he learned that the management had agreed they would not charge the group for use of the meeting area if everyone present would order something. PCI stated, however, that thought there were approximately thirty persons present during this portion of the meeting only eight individuals actually made a purchase.

b6
b7C

During the rest of the meeting [redacted] and NELSON made speeches. He said they spoke chiefly regarding the progress of the NSRP in the South and the need to establish an NSRP chapter in Chicago. PCI stated they dwelled on the success of the organization in connection with the recent Presidential election, though he said [redacted] indicated that the organization's success suffered because of lack of full support from the States of Texas and Illinois.

[redacted] suggested that members in Chicago get together at least once a week, at which time they should hold a meeting and record the proceedings for dissemination to other nearby NSRP chapters. [redacted] did not identify such chapters. PCI stated that [redacted] implied this would stimulate interest in the organization and in the forming of chapters on a state level.

PCI pointed out that [redacted] [redacted] remarked that those who were not NSRP members should definitely join. [redacted] pointed out that once the organization is established \$5.00 per month dues will be charged, \$3.00 of which will go to the NSRP Headquarters and the remaining \$2.00 will be maintained locally. [redacted] also suggested that NSRP people should purchase as many copies of the "Thunderbolt" as possible and flood the Chicago area with these papers.

b6
b7C
b7D

[REDACTED]

Source reiterated that the meeting was confused and ill-planned as were the talks given by the three individuals previously identified. He stated that basically the meeting was a rehash of NSRP activities in connection with the recent Presidential election and general talk on the possibilities that exist in the future as regards Party progress.

PCI stated that during the course of the evening no actual efforts were made to organize the NSRP in Chicago. To his knowledge no attempt was made to recruit anyone to NSRP membership and he noted no attempts to secure subscriptions to the "Thunderbolt".

PCI stated that the FAN members attending this meeting were agreed that the whole evening was badly handled, that there was little planning and that the plans that were made were poorly drawn up. Source stated that FAN members were thoroughly disgusted with the meeting and with the NSRP in general, however, speculation is that FAN will continue its connections with the NSRP only for the possible future good of the FAN organization.

[REDACTED]

b6

b7D

Source stated that [REDACTED] is currently driving a blue Ford sedan with [REDACTED] 1961 License [REDACTED]

PCI stated that FAN has two possible mailing addresses, one their Post Office Box at the New Post Office Building, Number 7563, and the other maintained by [REDACTED] [REDACTED] at the Old Post Office, the number of which is presently unknown to source.

MAX NELSEN and PAUL ANDERSON have informed that they operate an organization referred to as "The Institute" (Institute of Bio-Politica) but also frequently refer to "The States Rights Party" and seem to speak of both organizations interchangeably. They have displayed a considerable amount of literature from various other organizations

b7D

NELSEN has denied any connection with the American Nazi Party (ANP) stating he does not agree with GEORGE LINCOLN ROCKWELL's methods. However ANDERSON [REDACTED] speaks in a manner indicating he may have ANP affiliations.

NELSEN has mentioned a "security unit" and a "police force" of "their organization" and states they have recruited some ex-members of the ANP who form the nucleus of a security guard. On [REDACTED] NELSEN informed of a "States Rights" meeting which he has called for August 19, 1961, at the LaSalle Hotel, Chicago, at 8:00 PM. This meeting, according to NELSEN, will be listed on the hotel board in his name. The purpose of the meeting is to elect officers and to recruit applicants for the "police force". NELSEN stated [REDACTED]

[REDACTED] received training in the use of small arms, bombings, and the inciting of race riots, looking toward the day the "organization" takes over.

Subject affair was the last in a series of memorial services for WILLIAM Z. FOSTER who was chairman emeritus of the Communist Party of America. Earlier at 1100 hours the ashes of FOSTER were interred in Waldheim cemetery.

At the Saturday evening affair the attendance was approximately 240 persons. Of this number ten per cent were Negro. There was a large poster bearing the engraved picture of FOSTER - 1881-1961 - on the front wall behind the speakers platform.

At the entrance to the hall was a donation box set on a table along with donation envelopes. DOROTHY DAVIES was observed as being in charge of this collection. There was no admission charged - nor were there any other collections made during this meeting. It was later announced by CLAUDE LIGHTFOOT that the money collected would go towards a fund to establish a plaque at the Communist Party Waldheim cemetery plot to identify those who are buried in the different plots and their main activities.

OTTO WANGERIN was in charge of a literature stand in the hallway outside Curtiss Hall - which featured literature written by FOSTER. WANGERIN is the proprietor of the Modern Book Store, 56 East Chicago Avenue. This meeting was called to order at 2020 hours by CLAUDE LIGHTFOOT, National Vice-Chairman of the Communist Party, USA, and Chairman of the Illinois Communist Party.

LIGHTFOOT who acted as the Chairman for the evening's services gave an eulogy on FOSTER. Following his eulogy a Russian funeral song was played on a tape recorder. LIGHTFOOT's talk praised the activities of FOSTER in the labor movement. He was called an American patriot who was an outstanding figure in the decades-long struggle to organize the American workers into industrial unions in the mass production factories. FOSTER had written leaflets, pamphlets, articles and books bringing the message of socialism to the working people. He devoted a great share of his later years when he was partly paralyzed - to writing books embodying a Marxist-Leninist history of the socialist working class and the Negro people's movements during the present century. The reason why FOSTER went to Russia to spend the last months of his life was that he could not afford to spend tens of thousands of dollars in the capitalistic United States for medical care. In Russia this treatment would be free - the finances being paid for by the Russian workmen

who love the noble hard-working leader of the people. LIGHTFOOT then introduced THOMAS SLATER, Secretary-Treasurer of Carpenters Union, Local Number 1.

SLATER stated that he first met FOSTER in 1912 and several times since then. He said FOSTER has done more for the labor movement than any other single man in union-work. He praised him for his part in the steel strike of 1919 - and in developing the Packinghouse Workers Union. After SLATER's short talk another tape recorded funeral song was played. LIGHTFOOT then introduced SAM KUSHNER, editor of the Midwest Edition of "The Worker."

KUSHNER related his associations with FOSTER when SAM was a reporter covering the left-wing conventions. He lauded FOSTER's wife, ESTHER, for her support in furthering FOSTER's career. KUSHNER told other stories of how FOSTER fought monopolistic companies with his tremendous talents as an organizer, political leader and theoretician. Next came a tape recording of PAUL ROBESON's "I Saw Joe Hill Alive Last Night."

At this time LIGHTFOOT said that he remembered how FOSTER had fought for the civil rights of the Negro workingmen and especially how this had been done in his endeavors with the Packinghouse Workers Union. He also said it was impossible to read all the messages of condolences received from all over the world. He then introduced the main speaker of the evening - BENJAMIN DAVIS, National Secretary of the Communist Party, USA, a former New York City Council member.

DAVIS told the audience that GUS HALL, General Secretary of the Communist Party, USA, was not able to be present because of the recent Supreme Court decision not to review the Court's previous decision relating to the Communist Party and the McCarron and Smith Acts. In adding to the eulogy on FOSTER, DAVIS stated that FOSTER not only possessed the ability to organize but also to combine the ideals of Marx and Lenin as an integral part of the labor movement. It was this combination that has made FOSTER the world's greatest labor leader and humanitarian. His never-ending love for the oppressed people of the world had inspired him to fight for freedom of all working classes. His leadership in the labor movement had made America the focal point of the working class struggle throughout the world.

At this point DAVIS assailed the American capitalists and their leader, President KENNEDY. He stated that the social contributions to our present society can be attributed to the Communist Party. For example, the speaker cited the Soviet Union and the progress of its labor movement. The working people of Russia as well as from all other parts of the world share the common interest of freedom from oppression and exploitation. There is no argument when it comes to Peace in the world and winning the masses of peoples. "While KENNEDY is wining and dining the imperialist flunkies, the socialist nations are paying respect to a great leader. With the major part of the world casting off the bonds of capitalism and turning towards socialism as the answer for peace and freedom from exploitation and persecution - KENNEDY is telling the American people that we are living in the most dangerous times that man has seen - and that we must tighten our belts for hard times - and live in fear and anxiety."

DAVIS went on to say that socialism is the only answer to boost and foster peace and that we need a Communist Party more than ever in this country. FOSTER's role as a partisan of socialism and leader of the Communist Party has made America symbolic as a leader in the world's labor movement.

The Negro people are well represented in this fight - as tonight's Channel 2 (CBS) T.V. coverage of this morning's services with CLAUDE LIGHTFOOT and myself representing the Communist Party.

At this time CLAUDE LIGHTFOOT brought the service to a close by urging everyone upon leaving the hall to drop their donations in the box located at the exit. He then announced that the featured speaker this evening, BENJAMIN DAVIS, will speak at a meeting of the Washington Park Forum, 306 East 43rd Street, Chicago, Illinois, at 1630 hours, October 15, 1961, Sunday.

Subject affair came to an orderly conclusion 2215 hours. No literature was distributed free of charge. "The Worker," its Midwest Edition, was being sold in the lobby by MARTIN MITCHELL.

Subject affair was picketed by the Fighting American Nationalists (FAN). Five FAN pickets arrived at 2000 hours and left at 2300 hours. They had a Russian flag that they for a time dragged along on the ground - when the meeting was over - they had the flag spread out on the sidewalk in front of the Fine Arts Building entrance - and they were walking on the flag as they walked back and forth.

Regarding the individuals listed above, all are either currently active in subject organization or have had past association with the organization and or its members.

Information recently emanating from American Nazi Party (ANP) Headquarters, Arlington, Virginia, has indicated various organizational activities not in evidence in the Chicago area. The Chicago Division will in December, 1961, prepare a report on ANP activities and it is believed that contact, if successful with the above individuals, may substantially aid in compiling full information regarding the organization, activities, and membership of the American Nazi Party and the Fighting American Nationalists (FAN) in the Chicago area. In addition, it is felt that successful contact with above individuals would corroborate information currently being received by the Chicago Office from informants currently operating within subject organization.

Activities for the evening were carried on under the new reorganization plan with emphasis on the discipline aspect as instructed by FAN Headquarters at Washington, D. C. In this respect [redacted] hall and at [redacted] sharp summoned them by means of a whistle to the meeting on the upstairs floor.

The meeting was held in strict fashion and [redacted] discussed the "new order". He pointed out that henceforth there would be more organization and more discipline. He emphasized that during the course of the meeting the members would not be permitted to smoke, talk or "fool around".

No close-order drill was conducted at this meeting, however, it is intended that such will become a regular part of meetings hereafter.

[redacted] before the meeting gave the members a "run-down" on what they might expect under the "new order". He pointed out to the membership that it is the desire of the Chicago leadership that the members wear white shirts, ties and FAN armbands during the course of all meetings.

Most of the meeting was concerned with a discussion of the new regulations and the membership was so stunned by the rigid discipline that was to be enforced that the meeting broke up much earlier than anticipated. The actual meeting in fact ended in approximately thirty minutes.

Henceforth, a schedule of activities for the Chicago FAN will be posted on a weekly basis at FAN Headquarters running from Friday to Friday. The schedule for the week commencing October 13, 1961, for example is approximately as follows:

Monday - KEN FLECK on duty. Members to assist in handling FLECK's work.

Tuesday - KEN FLECK on duty. General work night for membership.

Wednesday - [] on duty. Exclusive for interviews of prospective members.

b6
b7C

Thursday - [] on duty. General work night for membership.

Friday - [] on duty. Regular meeting night.

Saturday - [] on duty. General activities for membership.

Sunday - [] on duty. General activities for membership.

Regarding the "general activities" of the membership on Saturday and Sunday, these days have principally been set aside to finish up the week's work that has been left undone.

It has recently been established that the membership of the FAN group in Chicago will have a breakdown of three general categories. Each member based on his activities will be placed in one or the other of the three categories. These are as follows:

Category #1: Headquarters Division. The "hard core" of the membership. At present includes only []

b6
b7C

[] KEN FLECK and possibly [] who though not a member is under consideration for membership.

Prerequisites for inclusion on Category #1 are compulsory attendance at all FAN meetings and willingness to participate in street demonstrations. No one to be considered unless they have participated in a minimum of three organization demonstrations.

Category #2: This category for members who cannot participate in all organization demonstrations but are willing to work at headquarters. Compulsory attendance at all FAN meetings a prerequisite for inclusion in this category. Most of the present membership of the organization is included in Category #2.

Category #3: This category has been established for those members who cannot possibly take part in demonstrations of the FAN organization and cannot publicly participate in other work of the group. Attendance at meetings is left to the discretion of the member in this category. For the present, JACK VON BERG is the only member who is considered in this group.

Following the meeting JACK VON BERG and a friend, one [redacted] appeared. [redacted] is a white, male, about [redacted] 5' 10", 175 - 180 pounds, [redacted] has [redacted] hair, is single and reportedly came to Chicago from California a few months ago. [redacted] membership is questionable, however, for the time being he has indicated an interest in the FAN group.

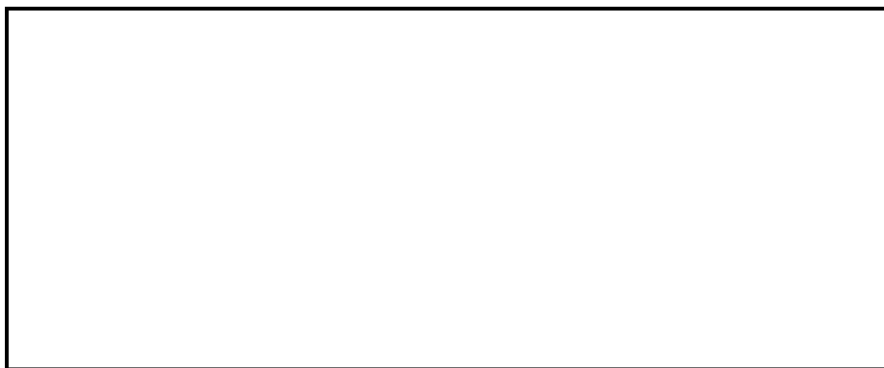

b6
b7c

For the present time WAYNE [redacted] MUELLER, [redacted] are, according to [redacted] to be considered as "honorary members". They have no membership cards.

[redacted] present at the meeting on October 13, 1961, has recently taken residence at 4445¹/₂ Damen. He is described as approximately [redacted] years of age, white, male, 6' 6", 185 pounds, [redacted] hair, [redacted] no glasses, recently married, employed as an [redacted]. He reportedly drives a 1960 Ford, four-door, sedan, white in color.

A meeting of the FAN was held at their headquarters on Friday, October 20, 1961, from 8:00 p.m. to 8:45 p.m. Present were:

b6
b7C
b7D

Again the meeting was conducted in accordance with the "new order". All of the new regulations were placed into effect, such as assembling downstairs, being summoned to the meeting at 8:00 p.m. by whistle, roll call, playing of the Party song, etc. The only exception was the lack of close-order drill which has not been held to date. The meeting consisted of various announcements concerning the schedule to be set for the week following and a short discussion was held on the necessity of the general work of the membership such as the hanging of storm windows, moving of refrigerator, work on organization books, etc. KEN FLECK gave a short talk on the "Sentinel", a Chicago Jewish publication. His talk was based principally on the fact that this magazine has in recent weeks devoted a great deal of its material to the activities of the FAN group and the American Nazi Party (ANP) in the Chicago area.

KEN FLECK appeared at this meeting in full uniform, which fact seemed to impress only [redacted] the latter two have expressed interest in the wearing of uniforms at Party functions, however, no definite plans have been set in this regard.

b6
b7C

Special mention was made that absolutely no drinking of alcoholic beverages would be permitted at headquarters other than at special social functions.

Preliminary plans were discussed for a FAN demonstration to occur at the proposed Israeli bond drive to be held in Chicago on November 28, 1961. None of the plans are final and further discussion will be held.

The Chicago organization has received a few copies of a newly published ANP Trooper's Manual. It is anticipated that each of the membership will receive a copy. It has been made known that copies in the headquarters area are somewhat more elaborate and have been bound in hard covers, etc.

b6
b7C

[redacted] continues to [redacted]
KEN FLECK has indicated that he will hold off moving to the headquarters until the heat has been turned on again. It is noted that recently the furnace area of the building was flooded putting the heating plant out of commission and such as yet has not been repaired. It is expected that this will cause no expense to the organization since it is generally felt such is the responsibility of the landlord. It is noted the telephone at headquarters is BELmont 5-1106.

KEN FLECK remarked that [redacted]
[redacted] is employed at the [redacted] on [redacted]
near Belmont where [redacted] She is reportedly
engaged in [redacted] has recently moved and
now resides at [redacted]

Recently the MUELLER [redacted] WAYNE, were observed at Party Headquarters preparing packets of ANP literature for dissemination to persons whom they selected at random from the Chicago telephone directory. They apparently picked persons with German-sounding names. It is understood that [redacted] undertook this strictly on their own with literature they had themselves secured from headquarters in Arlington, Virginia, and such was not to be considered as an organization function here in Chicago.

The activities of the Chicago Branch of the Fighting American Nationalists (FAN) have been curtailed in recent weeks. No plans for future activities have been announced or even discussed and the only venture currently being undertaken by the FAN organization is the selling of Christmas trees at headquarters. Certain of the members have contributed to a pool which was used to purchase between \$300 and \$100 worth of Christmas trees. [redacted] anticipates a profit from the sale of these trees.

Nothing specific was discussed other than the tentative plans for a second dinner to be held on November 24, 1961, at headquarters.

It was determined that Commander ROCKWELL anticipates speaking at Union Square in New York City in the near future. This was brought about as a result of the favorable decisions in New York for the Commander's right to speak there.

On 11/24/61 a dinner was held in lieu of a meeting at FAN headquarters. The event commenced at approximately 9:30 p.m. and continued to almost 1:00 a.m. Present at the dinner were:

WALLACE is described as white, male, 35 - 40 years of age, 5' 6", approximately 170 pounds, black hair or dark brown, partly bald, round face, wears dark rimmed glasses and is employed as a taxicab driver. He wore a tan belted trench coat. It was not made known how WALLACE came to attend this function.

The dinner was purely social in nature and no business was discussed. The meal was prepared by [redacted] and consisted of the usual turkey and "all the trimmings". A charge of \$1.00 was made for each person attending.

b6

It has recently been learned that [redacted] and [redacted] have taken over all the material and certain of the fixtures from "Women's Voice", which has gone out of business. The building management where "Women's Voice" was formerly located has assessed [redacted] the sum of \$100.00 for storage charges for the "Women's Voice" material. [redacted] and FUHRY contributed to the \$100.00 assessment, but KEN FLECK refused. [redacted] advised that they are to be reimbursed for the contribution once the pamphlets and booklets received from "Women's Voice" are sold.

In connection with this it is the intention of the FAN group to open a book store in the downstairs area of the headquarters building. It will be called the Vinland Book Store and it is anticipated it will go into operation sometime after January 1, 1962. At the present time [redacted] and [redacted] intend to operate the store, [redacted] serving in the daytime while [redacted] will take over at night following termination of his regular daily employment. FAN has accumulated a considerable store of books and pamphlets covering a multitude of subjects and will add the material received from "Women's Voice", all of which will make up the stock in the Vinland Book Store.

FAN Headquarters continues to suffer from lack of heat as the heating unit recently damaged by water has not as yet been repaired. It is anticipated the landlord of the building will have this work done in the near future.

On November 27, 1961, JOHN WALLACE submitted a FAN application blank [redacted] and at that time paid \$5.00 toward the \$10.00 initiation fee.

It was determined that as of December 5, 1961, WAYNE [redacted] MUELLER have terminated their affiliation with the FAN organization and have enlisted in the United States Army. During this association they were not known to be actually members of FAN or of the ANP, however, they have

been active with the group since the latter part of [REDACTED]
[REDACTED]

b6

WAYNE MUELLER was heard to remark to certain of his associates that he was "going to start his own Nazi party" because he was completely disgusted with the operation of the FAN movement in Chicago.

MUELLER remarked that he had sent GEORGE LINCOLN ROCKWELL a \$100.00 contribution and had written ROCKWELL denouncing [REDACTED] in Chicago.

Both WAYNE [REDACTED] MUELLER are reportedly serving with an armored unit now training at Fort Leonard Wood, Missouri.

[REDACTED] has dropped from FAN activities and the reason for his termination is unknown. It is generally believed that he has not had the enthusiasm for this type of movement that [REDACTED] had.

It is rumored that KENNETH FLECK has withdrawn certain of his financial support, specifically his monthly contribution of \$50.00 toward the payment of rent for FAN Headquarters. It is said that [redacted] is quite concerned about this, however, no real trouble seems to exist between the two. At present it is not known how [redacted] contemplates making up the deficit. It has also been noted that FLECK has not been in attendance at the last two meetings and reportedly was unable to attend.

A number of new people have appeared at FAN Headquarters recently but further information concerning them is not known at this time.

Nothing is known at FAN Headquarters regarding the recent bombing of the Jewish synagogue on Devon Avenue. While certain of the members have made kidding remarks about one or the other's participation in the bombing, it is certain that no one affiliated with FAN has any knowledge of the bombing.

On Thursday, December 21, 1961, a dinner party was held at the Fighting American Nationalists (FAN) Headquarters, 2120 North Damen Avenue, Chicago, Illinois. 14 people were present at this gathering. They are identified as follows:

b6

[REDACTED]
KENNETH FLECK
JOSEPH FUHRY

[REDACTED]

[REDACTED] (LNU), white, male, [REDACTED] 5' 8", 190 pounds.

Regarding [REDACTED] it is not known how he came to be invited to this affair. He is not a member of the FAN nor is he known to be a member of the American Nazi Party (ANP). He is described as [REDACTED] years of age, white, male, 5' 8", approximately 180 pounds, [REDACTED] build, black hair, brown eyes, [REDACTED] single, and is reportedly employed by the same firm as [REDACTED]

[REDACTED] appeared at this dinner apparently as a guest of WAYNE [REDACTED] MUELLER. [REDACTED] is described as white, male, approximately [REDACTED] years of age, 5' 8", approximately 170 pounds, [REDACTED] hair, which is [REDACTED] No additional information is known concerning him.

Concerning [REDACTED] they were recently reported as terminating their association with the FAN group in Chicago, however, they are apparently "back in the fold". It is not known if they will continue their association, however, nothing was said during the course of the dinner to indicate that they would not return to future functions.

The above mentioned dinner was strictly social in nature and no FAN or ANP business was discussed. There are no current plans for FAN activities and apparently the organization will maintain the "status quo" for the timebeing.

It is rumored among Chicago FAN members that GEORGE LINCOLN ROCKWELL, Commander of the ANP, contemplates visiting Chicago in mid-January, 1962. There have been two reasons offered for this proposed visit; one, that he is visiting Chicago to institute an organizing drive; and the second is that he will visit Chicago to gain a much needed rest.

It was announced that a regular meeting of the Chicago FAN group will be held on Friday, December 29, 1961.

The Christmas tree venture undertaken by the Chicago FAN group has met with apparent success, at least to the extent that before final tabulation is made it is known that they have sold a sufficient quantity to recover their investment.

[redacted] stated that while he is of the opinion the group will not succeed in their efforts, he nevertheless, is confident that they are of the belief that one day they will succeed.

Continuing, [redacted] stated that he is of the definite opinion that both the ANP and the FAN group are basically anti-Communist movements, based on their theory that all Communism is Jewish. The ANP has adopted the use of the term Nazi in their title and has undertaken the use of the swastika as their organization symbol.

[redacted] explained that they have adopted these things for they feel that since all Communism is Jewish, the Nazi theme and the swastika are things that the Jews definitely stand in fear of.

[redacted] voluntarily admitted that he is anti-Semitic. He stated that this outlook is based on personal experiences as well as his "racial background." [redacted]
Chicago, Illinois, advised on January 24, 1962, that he is

[redacted] by GEORGE LINCOLN ROCKWELL, National ANP Commander, Arlington, Virginia. [redacted] stated that ROCKWELL visited the Chicago ANP Headquarters during the week end of January 19 - 22, having arrived at Chicago via air at approximately 6:00 PM, Friday and departed for Arlington, Virginia at 11:00 AM, Monday, January 22, 1962. He related that the purpose of ROCKWELL's visit was to determine firsthand the status of the Chicago group and to physically inspect the Chicago headquarters. According to [redacted] ROCKWELL expressed his pleasure with the Chicago group in both respects.

During that visit, according to [redacted] ROCKWELL

[redacted]
[redacted] related that while in Chicago ROCKWELL stayed at the ANP Headquarters.

On Friday evening, January 19, 1962, a meeting of members of the ANP and Fighting American Nationalists (FAN), a front group of the ANP, was held with ROCKWELL at the ANP Headquarters, 2124 North Damen Avenue.

On Saturday evening, January 20, 1962, an open house was held at the headquarters to afford those attending a chance to meet ROCKWELL, receive an explanation of ANP objectives, and inspect the Headquarters.

On Sunday evening, January 21, 1962, a meeting was held at the headquarters of FAN and ANP members together with newcomers who had manifested an interest in learning more about those organizations with the idea of possibly joining one or both. On that occasion approximately 48 persons were present, of whom roughly one-half were members and one-half non-members.

On 1/24/62 at Chicago, Illinois File # 157-3

by SAs LELAND G. RICHIE
JOHN W. TOEDT/JVK Date dictated 2/2/62

[redacted] stated that the FAN in Chicago presently consists of approximately 40 members, 15 of whom currently hold membership in the ANP. He identified the following as ANP members in Chicago [redacted] KENNETH FLECK, ALVIN BIALOBRZSKI, [redacted] WAYNE MUELLER, [redacted] JOHN WALLACE, FNU [redacted] and FNU [redacted]

He stated that [redacted] and [redacted] formally joined the ANP during the week end ROCKWELL was in Chicago. He also related that three other individuals who presently are ANP members and residents of Chicago attended the meeting with ROCKWELL on January 21, 1962. According to [redacted] these individuals had previously been unknown to the Chicago unit and had joined through direct arrangement with the ANP, Arlington Headquarters. He insisted he was unable to recall the identities of those individuals. He also stated he is of the belief, based on statements made by ROCKWELL, that there were approximately 15 or 20 additional ANP members in Chicago who are not known to the Chicago unit. He explained that these persons deal directly with the Arlington Headquarters and make regular dues payments but for one reason or another do not desire to be known or contacted by the local unit. He disclaimed any knowledge of the identities of any such members.

[redacted] also stated that [redacted]

[redacted] He disclaimed ability to recall the identities of other members. He stated that in the Spring of 1962, [redacted] wide dissemination to Chicago high schools of ANP literature through the WYC. [redacted] related that the meeting held January 21, 1962 was also attended by one [redacted] and three of his associates. He stated that [redacted] the ANP Headquarters, approximately four months ago, claimed [redacted] the name of which [redacted] could not recall, and claimed to have approximately 80 high school and college students in the organization. [redacted] displayed to [redacted] correspondence he had had with the ANP at [redacted]

Arlington relative to cooperating with the ANP, Chicago Branch in their activities and inquired as to any planned ANP activity in which his organization could participate. [redacted] inquired of him as to whether his organization would be willing to join in picket demonstrations to which [redacted] replied "no, not yet". [redacted] stated he was unable to determine exactly what type of activity [redacted] and his organization desired to participate in and for that reason had had no further contact with them until the evening of January 21, 1962. On that occasion, [redacted] and his companions declined to formally join FAN and [redacted] was dubious of any further contact with them. He had no knowledge of activities of that group or of the identities of other members other than that he believed them to be a white supremacy and anti-Semitic group.

b6
b7C
b7D

[redacted] also told of [redacted] at ANP Headquarters by one [redacted] who claimed to [redacted] informed [redacted] that there were 15 - 20 members of that organization all of teen-age and that the organization is located somewhere in the northwest section of Chicago. [redacted] also classified that organization as anti-Semitic and white supremacist. He added [redacted] and did not know the identities of any other persons connected with it.

He stated that the ANP has had contact with the "Hungarian Freedom Fighters", Chicago, relative to coordinating the efforts of the two organizations. He added that this has not been followed up by the ANP as he has concluded that that organization is composed of people who are mainly anti-Communists and fascists rather than racists and for that reason would not fit particularly with ANP activities. He identified one [redacted] of that organization.

He continued that the ANP Headquarters has been visited on a number of occasions by a group from Milwaukee, Wisconsin which includes [redacted] and (FNU)

[redacted] He stated that these individuals are interested but as yet have not joined either the FAN or ANP. He added that [redacted] did attend the meeting at ANP Headquarters January 21, 1962 and stayed over for a couple of days.

In regard to future activity, [] advised that during ROCKWELL's visit it was decided that the ANP would now come out into the open in Chicago. In that connection, it has been decided that a contingent will picket a 38th Anniversary celebration of "The Worker", a Communist newspaper, which is scheduled to be held February 4, 1962, at the Fine Arts Building, 410 South Michigan Avenue, Chicago, under the sponsorship of the Committee for Freedom of the Press. Five ANP members have volunteered to appear at that function in uniform wearing swastika arm bands and identifying themselves as members of the ANP. These include [] WAYNE MUELLER, [] JOHN WALLACE and FNU [] stated it is also planned that in addition approximately 10 others will also appear to picket as members of the FAN.

Chicago, Illinois
March 13, 1962

On February 25, 1962, at approximately 12:50 p.m. GEORGE LINCOLN ROCKWELL, National Commander, American Nazi Party (ANP), arrived via air at Chicago, Illinois, to speak on that day before a convention of the Nation of Islam (NOI). ROCKWELL went immediately from the airport to the Amphitheater at 42nd and Halsted Streets.

Present with ROCKWELL at the NOI Convention were the following:

[REDACTED]

WAYNE MUELLER

[REDACTED]

JOHN WALLACE

[REDACTED] Milwaukee, Wisconsin

[REDACTED] and wife, [REDACTED]

Los Angeles, California

[REDACTED]

b6
b7c

Transportation for this group was provided by [REDACTED] who was not present but who loaned the group his personal car, and through the use of the Fighting American Nationalists (FAN) truck, [REDACTED]. This truck, a former Chicago Police wagon, is commonly referred to by the membership as the "Black Maria".

Following ROCKWELL's speech at the NOI Convention, the entire group with the exception of [REDACTED] and his wife, [REDACTED] returned to the ANP Headquarters, 2124 North Damen, arriving at about 7:15 p.m. They were met at headquarters by KENNETH FLECK, JOSEPH FUHR and [REDACTED]. FLECK and FUHR were said to have been assigned to guard party headquarters in the absence of this group. In this regard [REDACTED] as of late has insisted that headquarters be occupied at all times.

Upon their return, the group had dinner prepared by [redacted] Following this, no formal meeting was held but rather a "bull session" concerning that day's activities.

b6
b7c

ROCKWELL commented that he was quite pleased with the reception he received at the NOI Convention and was of the opinion things went quite well. The threat of a bomb exploding at the Amphitheater during the convention was passed over lightly by ROCKWELL. He indicated in his opinion this threat was entirely a hoax.

ROCKWELL was staying at the Lincoln Hotel on the North Side of Chicago during his visit to the city.

[redacted] a new associate of the ANP, donated a 21 inch television set for use at party headquarters. It is not known if this is an outright gift or if the set has been loaned to the organization.

[redacted] a representative of the ANP from Los Angeles, California, and his wife are believed to have left Chicago following the convention.

KENNETH FLECK has apparently reactivated himself with the organization after several weeks absence. No reason is known as to why he was gone for this period although certain members believe FLECK's family have received phone calls about his activities thus causing this absence.

On Monday, February 26, 1962, a special meeting of the Chicago Branch of the ANP and of FAN was held at headquarters, 2124 North Damen. The purpose of the meeting was a showing of motion pictures of ANP activities in the Washington, D. C., area. Commander ROCKWELL brought the films with him when he came to Chicago on February 25, 1962.

Present at this special meeting were the following:

[REDACTED]
KENNETH FLECK
JOSEPH FUHRY

[REDACTED]
WAYNE MUELLER

[REDACTED]
JOHN WALLACE
[REDACTED]

b6
b7c

The films brought by ROCKWELL broke in the projector. It was determined these were not the films ROCKWELL intended to bring with him and as a result the special meeting "fell apart".

The group, arriving at approximately 8:30 p.m., were almost all gone by 10:30 p.m. Nothing pertinent took place and no actual business was transacted. ROCKWELL advised he would send the proper films for showing to the Chicago organization at a later date.

On Tuesday, February 27, 1962, a meeting of the Chicago ANP and FAN was held at ANP Headquarters, 2124 North Damen. Present were the following:

[REDACTED]
JOSEPH FUHRY
KENNETH FLECK

[REDACTED]
WAYNE MUELLER

[REDACTED]
JOHN WALLACE
[REDACTED]

In addition to the above, one other individual was present, whose identity is unknown and whose description is unrecalled.

Commander ROCKWELL presided at this meeting, which commenced at approximately 8:00 p.m. He spoke of ANP activities in general defining special activities of his headquarters group in Arlington, Virginia. ROCKWELL spoke generally of his plans to visit the West Coast following his stop in Chicago. He talked in general terms, mentioning his plans to visit Los Angeles, California, Seattle, Washington, Houston, Texas, and Jacksonville, Florida.

During this meeting ROCKWELL conducted a "commissioning ceremony" whereby [redacted] and [redacted] were "commissioned" as [redacted] and [redacted] in the ANP. No mention was made regarding KENNETH FLECK, who in the past has been the only other officer, holding the title of "Staff Officer". In that no announcement has been made relative to his being removed from this position, FLECK apparently continues to hold this rank.

b6
b7c

The meeting ended at approximately 10:30 p.m. No specific plans were made for future activities of the organization.

On Friday, March 9, 1962, a regular meeting of the Chicago Branch of the ANP and FAN was held at ANP Chicago Headquarters, 2124 North Damen. Present were the following:

[redacted]

JOSEPH FUHRY

[redacted]

WAYNE MUELLER

[redacted]

JOHN WALLACE

[redacted]

KENNETH FLECK

[redacted]

[redacted] from Milwaukee, Wisconsin

[redacted]
(FNU) [redacted] (ph)

A general meeting was held. A good deal of the time was spent discussing tests which have recently been undertaken by the Chicago organization for the membership. These tests given on the subject of National Socialism are to be offered to those present at the meetings every two weeks. The last test given, which was discussed in detail at this meeting, was a series of true and false questions. These tests are made up by [redacted] who takes great pride in going into each detail of every question of the test. b6 b7C

It is noticed that discipline and decorum at the organization's meetings has lessened somewhat. [redacted] earlier emphasis on the disciplinary aspect apparently has not held up the way it was anticipated.

A new social activity has been introduced to be known as the "White Stag". This will be a dinner held the second Thursday of each month. A rather select group will be included at these functions. Proposed now is the idea that each married man attending the dinner will contribute \$10.00 and each single man attending will contribute \$20.00. The proceeds from this function will go toward payment of headquarters rent which currently is in the amount of \$150.00 per month. The dinner will be prepared at headquarters by organization personnel.

Rumor reports that April 20, 1962, is the target date for the organization to come entirely in the open as the ANP. According to present information, it is anticipated that FAN will following that date no longer exist.

[redacted] present at this meeting, is a new face in the group. He is a man of approximately [redacted] years of age from Milwaukee, Wisconsin. He claims to have been a member of the [redacted] during World War II.

It was mentioned that Commander ROCKWELL left Chicago on Wednesday, March 7, 1962, for the West Coast. [redacted] mentioned the attack on the Commander in San Diego, California, when a student listening to ROCKWELL suddenly appeared on the stage and struck the Commander in the face.

b6
b7c

A new rule has come into existence now after a person has attended three meetings he will be required to execute either an ANP or FAN membership application. Evidently he will not be permitted to attend meetings unless such an application has been submitted. [redacted] has advised that this will aid in identifying members and help the organization to "get to know" the members better.

At present [redacted] and [redacted] are the only [redacted] at party headquarters. [redacted] has indicated he may [redacted] in the near future. [redacted] is the only one of the three [redacted] who is employed. [redacted] has indicated he [redacted] in Chicago.

ROCKWELL is to speak in Chicago at some date in the not too distant future. Further details concerning this appearance have not as yet been made available.

ROCKWELL advised during his recent visit in Chicago that the National Convention of the ANP will be held in Chicago, Illinois, in October, 1962. He stated he regards Chicago as the best place for holding such a convention.

APPENDIX

AMERICAN NAZI PARTY,
Also known as UNION OF
FREE ENTERPRISE
NATIONAL SOCIALISTS

A source advised on February 27, 1959, that GEORGE LINCOLN ROCKWELL, of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprises National Socialists (WUFENS) at his residence on February 26, 1959.

Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. ROCKWELL told those present, that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

ROCKWELL, on March 26, 1959, furnished to Special Agents of the FBI, a copy of the program of the WUFENS stating that he expects to become President of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treason.

A second source advised on August 8, 1961, that the main activity of the organization, in furtherance of these objectives, had consisted of picketings with anti-Jewish and anti-Negro placards and talks by ROCKWELL attacking Jews as traitors to the United States. The headquarters of the American Nazi Party is located at 928 North Randolph Street, Arlington, Virginia.

Re: American Nazi Party

NATIONAL STATES RIGHTS PARTY

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported that a "Ku Klux Klan spokesman of Greenville reported the recent formation of a new political party to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many Klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals".

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP) reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party" with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of the Ku Klux Klan and notorious anti-Semites.

Issue #19, dated June, 1960, of "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

On June 17, 1960, a source advised that [redacted] of the NSRP, is the individual who "runs the NSRP".

The March, 1959, issue of the Anti-Defamation League Bulletin contained an article by Jerome Bakst entitled "Angry Young Men of Hate". Regarding Edward R. Fields, the article stated, "Fields, 26 years old and a Louisville chiropractor, is a key-figure in the National States Rights Party and co-ordinator of all its activities, contacts and liaison with leaders of other 'hate groups'. He apparently started Jew-baiting in his teens, aided Stoner in the Christian anti-Jewish Party, and got involved in newspaper notoriety while attending chiropractory school in Davenport, Iowa. There, early in 1954, according to newspaper reports, he pasted anti-Jewish stickers on store windows during Brotherhood Week."

Re: American Nazi Party

Friday evening March 23rd at 8PM a meeting was held at the ANP headquarters, 2124 N. Damen Avenue. Those present at the meeting were [redacted]

[redacted] FUHRY, [redacted] WARNECKE, FLECK, [redacted]
[redacted] (WALLACE came late).

The ANP oath was administered by [redacted] to [redacted] WAYNE MUELLER, [redacted]. The swearing in of [redacted] was postponed until after the trial. (To be on the safe side). FUHRY and FLECK had not had their application notarized so they were not sworn in. (Four more are to be sworn in next Friday, also rank is to be given.)

[redacted] read a couple of letters he received: one was from a former U.S. Marine captain (believed named [redacted]) divulging a plan whereby those troopers getting severe wounds in action like one might get in a riot would be awarded a medal for being a casualty. Also medals would be given to those participating in a riot.

The telegram that was sent to [redacted] and the copy sent to the J.W.V. brought down the house. [redacted] also said that it was the Jewish War Veterans who told the police the story about the guns that was to be delivered to ANP headquarters just to get even.

The other letter he told about was a crank letter he received but didn't bother to read it.

[redacted] read a letter that he received from [redacted] of the [redacted] asking him to please resign from his organization [redacted] was [redacted] of the [redacted] because [redacted] was a source of embarrassment to the [redacted] because of his association with the American Nazi Party. [redacted] was putting in the THUNDERBOLT that the reason for [redacted] resignation was that he was devoting all of his time to the management of the Vinland Bookstore. The contents of [redacted] letter was that he was letting himself in for a lot of grief (such as jail, smears, bodily harm etc.), that Nazism was alien to America, that it was dead and that people wouldn't buy it, that [redacted] pulled out because they were disgusted with ROCKWELL, and that things were pretty bad at Arlington.

Following this, [] read in part [] to [] He said that [] was a Nazi whether he knew it or not, that they were both fighting for the same thing, that there were no short cuts to power, no nice ways to get power, that pantywaist methods were valueless and a waste of time. To make a long story short he resigned.

b6
b7C

The third letter that [] read was one from Arlington stating that each headquarters keep a running record of all major happenings. This record is to be assigned to one trooper (a member of the party). This diary is to be a certain size and after the year is up it is to be sent to the main headquarters at Arlington for the party historian.

[] gave a short report on the picket last Thursday night. It was held in front of the State-Lake theater in protest of SAMMY DAVIS, JR. According to [] they, i.e. [] WAYNE MUELLER were picketing for about 5 minutes when a policeman came up and told them to get off the street. Then [] said that they were not on the street. The policeman got mad, the wagon pulled up and they were told to get inside. This was a White Youth Corps picketing. [] who was just standing by observing jumped into the wagon with the boys. According to him everything was going peacefully while they were carrying signs and distributing literature. One piece of literature passed out was "Nigger, You too can be a Jew." The uniform was white shirt, black tie and black armband with the youth corps symbol in white. [] were taken to the juvenile section but the others were at the main building at 11th and State St. [] both said that the majority of the cops there preferred race-mixing.

WAYNE MUELLER gave a short report on what went on in 11th St., station. Bail was set at \$200 each on three counts. [] was also arrested. Disorderly conduct and defamation of character are the charges. [] borrowed the bail money from a girl friend so they got out. [] case comes up in Family Court this Friday, March 30th. The others in Boys court April 5th.

activities generally confined to the New York City area. CG T-2 stated that it was founded in 1949 by JAMES MADOLE, who is in complete control of the Party. The "Party's" main function is the distribution of the "National Renaissance Bulletin" on a monthly basis and distribution of pro-Arab literature, obtained from official Arab establishments in New York City. The Un-American Activities Committee of the United States House of Representatives in a preliminary report dated December 17, 1954, stated "National Renaissance Party activities and propaganda are clearly subversive and un-American."

The "National Renaissance Bulletin," dated June, 1953, under the heading "National Renaissance Party Grows in Power" by JAMES H. MADOLE, reflects that the fully uniformed corps in New York City had been [redacted] and one other. [redacted]

On July 15, 1953. CG T-2 stated that in July, 1953, [redacted] MADOLE speaks at street meetings.

The informant stated that in a "National Renaissance Bulletin" put out some time around July, 1953, [redacted] was listed as [redacted] in New York City.

On February 4, 1953. CG T-3 advised that he had recently learned that [redacted] attended a meeting sponsored by the Citizens Council of Louisville, Kentucky at the Henry Clay Hotel, Louisville, Kentucky. Among the speakers was a Reverend JAMES W. COLE of Marion, South Carolina, who is the head of the Knights of the KKK in North Carolina and who talked of the trouble at a Klan meeting at Maxton, North Carolina, on January 18, 1953. Another speaker spoke and outlined the procedure for setting up support for the UWP. It was also learned by CG T-3 that [redacted] had remained after the meeting, along with approximately 20 others, and had discussed the platform of the UWP and what organizations would be accepted for affiliation. This meeting was held February 1, 1953. (NSRP formerly known as the United White Party (UWP)).

CG 105-4630

The Ku Klux Klan has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

On March 24, 1958, CG T-4 exhibited a letter which contained a letterhead of the UWP, which was signed by [redacted] Louisville, Kentucky, dated February 26, 1958, and was addressed to "Fellow Patriots". This letter reflects that on Saturday, March 1, [redacted] of the UWP and [redacted] would be in Atlanta. This letter enclosed a leaflet of the UWP on segregation matters and reflected [redacted] to be [redacted].

The July, 1959, issue of "The Thunderbolt", self-described as the "official Racial National Organ of the National States Rights Party," identified [redacted] as [redacted] of the NSRP.

On September 23, 1959, CG T-5 advised that [redacted] was on that date in Miami, Florida, conferring with PETER CROCKFORD, State Chairman of the NSRP in Florida.

Realpolitical Institute (RI)

On December 12, 1956, CG T-6 advised the RI, Post Office Box 1785, Chicago 90, Illinois, was started by MAYNARD NELSEN in late 1954 in Chicago, Illinois, for the purpose of creating a new political party. This organization is anti-Communist, anti-Semitic and favors the white race. NELSEN has been in contact with FREDERICK WEISS in the New York City area, who has in the past promoted neo-Nazi activities.

This organization, which is primarily a one man organization, has failed to "get off the ground" and does not attract interest or a following. NELSEN's main activities in this organization have been the occasional circularizing of printed, mimeographed "Hate" sheets, primarily in the Chicago area.

CG 105-4630

On January 16, 1957, [redacted] Region VI, 113th CIC Detachment, St. Louis, Missouri, furnished to SA CARL R. O'CONNOR a copy of a letter dated January 1, 1957, which was printed on RI stationery. This letter reflects that it is from the Administrative Staff of the above organization to white American citizens regarding disloyal Jewish consensus and the subject is white man survival. The body of this letter reflects:

"The REALPOLITICAL INSTITUTE is dedicated to the racial survival of the white man, both here in the United States of North America and throughout the world."

At the bottom of this letter there appears a slogan which states "WHITE MAN AWAKE - THE HOUR IS LATE."

On June 6, 1956, CG T-7 furnished a copy of a letter dated June 2, 1956, which was signed by [redacted]. This letter contained a letterhead of the RI, Post Office Box 1785, Chicago, Illinois, [redacted].

[redacted] This letter advised of [redacted] then current address, [redacted] Chicago 14, Illinois, and stated "Please be informed of My New Address. I am ready to assist in the killing of Jews any time so called upon to serve my country. I believe I am qualified by my background to be of invaluable assistance to this mighty task." This letter, it was learned, was sent by [redacted] to the local draft board at New York City.

On July 17, 1956, CG T-2 advised that [redacted] was, at that time, residing in Chicago and working with MAYNARD NELSEN, leader of the RI. He stated that [redacted] recently mailed out invitations stating that the "Chicago Committee for the Reception of Nationalists Observers at the Democratic National Convention, August, 1956," cordially extends this invitation to visit its service center in the East Room of the Atlantic Hotel at 1316 Clark Street, Chicago, Illinois, on the 12th through the 15th of August. CG T-2 advised that he believes [redacted] NELSEN were endeavoring to obtain publicity through the above-mentioned invitations and that their aim is to create confusion and embarrassment at either or both of the major political conventions.

CG 105-4630

On October 23, 1959, CG T-8 advised that [redacted] had, in his possession, a document entitled, "Perspectus for the Creation of a Realpolitical Institute Publication." This document indicates that the proposed name for this publication was to be the "Frontier" and [redacted]

b6
b7c

[redacted] This document listed as the editorial formula for the publication "to stimulate presentation for the advanced, revolutionary outlook on political, social, economic and racial issues."

On April 19, 1962, CG T-1 advised that [redacted] was one of the original associates of the American Nazi Party in Chicago, Illinois, and was instrumental in the formation of such organization in November of 1930. He has since that time acted in the capacity of [redacted] and currently [redacted] in the Chicago Branch of the American Nazi Party.

AMERICAN NAZI PARTY

A source advised on February 27, 1959, that GEORGE LINCOLN ROCKWELL of Arlington, Virginia, held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959. Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. ROCKWELL told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

The source advised on May 4, 1960, that ROCKWELL was referring to his organization as the American Nazi Party, and that stationery carried the letterhead as the American Nazi Party of the WUFENS.

ROCKWELL on March 26, 1959, furnished Special Agents of the FBI a copy of the program of the WUFENS stating that he expects to become president of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of communist and Zionist treason.

The source advised in May, 1960, that the headquarters of the group is located at 928 North Randolph Street, Arlington, Virginia, and that the main activity of the organization since its inception has been the distribution of anti-Jewish material and open air talks in the Spring of 1960 on the Mall in Washington, D.C.

A meeting of the Chicago Branch of the American Nazi Party (ANP) was held on April 5, 1962, at that organization's headquarters, 2124 North Damen Avenue. Present at the meeting were the following:

[REDACTED]

KENNETH FLECK
JOSEPH FUHRY

[REDACTED]

WAYNE MUELLER

[REDACTED]

WILLIAM WERNECKE
JOHN WALLACE

[REDACTED]

The formal meeting commenced at approximately 8:15 p.m. and terminated about 9:00 p.m. [REDACTED] presided. The principal business of the evening was the formal acceptance or swearing in of JOHN WALLACE, KENNETH FLECK, JOSEPH FUHRY and [REDACTED]

Following the formal meeting a dinner of fish, chips and beer was served for which a donation was asked. In this regard it was announced that the dinner was principally held to pay for the delinquent phone bill of approximately \$42.00.

During the course of the evening [REDACTED] related an incident concerning the Party's group in Los Angeles, California. He mentioned that [REDACTED] and three other "Nazis", whom he did not identify, were concerned in a free-for-all fight with twelve "winos". According to [REDACTED] the Nazis succeeded in subduing the "winos" who were arrested.

JOHN WALLACE was compelled to leave before the dinner because of other commitments. No special business was undertaken this evening and a bull session followed the dinner.

Rent for the headquarters building has now been raised to \$175.00 per month. This is an increase of \$25.00 a month.

Headquarters has been assigned a new telephone number, CA 7-6347.

Following formal acceptance into the ANP, each of those so accepted are assigned a Party identification or membership card. Each of these cards bears a C #, which represents the card # for the Chicago Branch. To date the following individuals have been assigned noted card numbers:

[redacted]
#C-[redacted]

[redacted]
#C-[redacted]

KENNETH FLECK
#C-[redacted]

JOSEPH GUHRY
#C-[redacted]

b6
b7C

Though it has not been officially announced, the order of leadership is apparent in the Chicago unit. Since the card numbers are not necessarily assigned on the basis of seniority in the organization, it would appear from the numbers assigned the above four individuals that following [redacted] KENNETH FLECK and JOSEPH GUHRY are the next in line of authority.

March 29, 1962

A meeting of the Chicago Branch of the American Nazi Party (ANP) was held at that organization's headquarters, 2124 North Damen, on Friday, March 23, 1962.

The meeting, which commenced at approximately 8:15 p.m., was attended by the following individuals:

b6
b7c

[REDACTED]
KENNETH FLECK
JOSEPH FUHR

[REDACTED]
WAYNE MUELLER

[REDACTED]
[REDACTED] of Milwaukee, Wisconsin

[REDACTED]
WILLIAM WERNECKE

[REDACTED]
JOHN WALLACE

[REDACTED] arrived after the formal meeting was held.

The meeting was principally concerned with a swearing in ceremony into the ANP. The four individuals who took the oath of membership are [REDACTED]

[REDACTED] WAYNE MUELLER [REDACTED]

[REDACTED] were reportedly going to take the oath on this night but because of their recent arrest following a picketing of the State-Lake Theater, [REDACTED] decided it would be more advisable to hold off on their formal acceptance.

[redacted] announced that [redacted] put up \$50.00, which he had borrowed from his girl friend, to a bondsman to arrange bail for [redacted]. [redacted] did so with the understanding that he would be reimbursed by the Party. As a result of [redacted] announcement "the helmet" was passed around from which they received approximately \$20.00 in contributions to apply to repayment to [redacted].

b6
b7C

It was also announced that the Party in Chicago is delinquent in payment of their utility and rent accounts. Specifically mentioned was the rent, telephone and the electricity. A figure of approximately \$70.00 was mentioned as the amount overdue.

The formal meeting ended at approximately 8:45 p.m. without further discussion. Those present engaged in a bull session following the formal meeting and most of those present left the premises by approximately 10:30 p.m.

On Tuesday, March 27, 1962, a few of the individuals associated with the ANP in Chicago assembled informally at Party Headquarters, 2124 North Damen.

Present were JOSEPH FUHR, [redacted] KENNETH FLECK and JOHN WALLACE. It was said that [redacted] WAYNE MUELLER [redacted] were away from the premises on personal business.

This night [redacted] was officially sworn into the ANP having satisfactorily completed his application form. [redacted] evidently is unable to attend Friday night meetings and thus was provided the opportunity of being accepted on Tuesday. Later in the evening [redacted] appeared with a postcard he had received containing what he called a threat.

There are no plans at present for a demonstration by the organization. In view of the several recent arrests of that group's members, it is felt that it would be wise to hold off on plans for the timebeing.

In a "bull session" that followed [redacted] discussed [redacted] who is located in the downtown area of Chicago and who, according to [redacted]

In connection with the current legal problems faced by certain of the membership, [redacted] mentioned that they soon anticipate that [redacted]

[redacted] No amount was announced, however, [redacted] members present contributed to a collection for this purpose. [redacted] donated \$10.00 and it is believed [redacted] remaining persons present contributed \$5.00 each.

Currently nothing is in the planning stage regarding activities of the Chicago Branch of the ANP. This apparently stems from the fact that the organization in Chicago has been concerned in numerous difficulties with the police in recent weeks.

It was made known that on Tuesday, May 1, 1962, an unidentified Trooper telephoned the Chicago Headquarters from the National Headquarters at Washington, D. C. It is believed that this telephone call was made in answer to

an inquiry concerning the status of the British National Party in connection with the ANP. Apparently the Party opinion regarding the British National Party is that the British organization is no more and because of the various factions originally contained therein a split has occurred. This organization was characterized by the Trooper telephoning as a "panty waist organization". It is said that the radical element of the British National Party has now become the British counterpart of the ANP and as such is not directly associated with the World Union of Free Enterprisers National Socialists. An individual by the name of [redacted] is reported to be [redacted] of this new element of the Old British National Party.

b6

[redacted] noted that he had visited in Milwaukee over the past week end, though his activities there are unknown.

Nothing now was stated or implied regarding [redacted] rumored domestic difficulties.

Regarding the weekly report, it is understood that once each week National Headquarters, Chicago, and the California group, location unknown, exchange copies of their reports with each other. Apparently these reports contain nothing of real significance but more or less an itemization of the particular branch's activities in the past week.

It has been learned that during the course of GEORGE LINCOLN ROCKWELL's visit to Chicago in January, 1962, a collection was taken from those present at one of the meetings during this visit to assist in the continuation of ROCKWELL's journey from Chicago. On Thursday, April 12, 1962, a "White Stag", which is a dinner held for a "select group" at American Nazi Party (ANP) Headquarters, was held. Those present began to gather shortly after 7:35 p.m. at the ANP Headquarters, 2124 North Damen, Chicago.

Prior to the start of the dinner, CATHERINE EDEN of "Women's Voice" was noticed to be visiting the headquarters. She was noticed to be in conversation with [redacted] and WAYNE MUELLER, who were explaining the idea and functions of the ANP to EDEN. She apparently was satisfactorily impressed. EDEN was noticed to depart at approximately 9:00 p.m. and did not stay for the dinner.

b6
b7c

Present at the dinner were the following:

JOHN KOLBERG
MATT KOEHL
MALCOLM LAMBERT
DONALD MUELLER
WAYNE MUELLER
JOSEPH FUHRY

[redacted]
JOHN WALLACE
KEN FLECK

As was announced previously, the leadership in Chicago is interested in having members contribute either \$10.00 or \$20.00 for these "White Stags" depending upon the member's marital status. It was heard that at this particular event JOSEPH FUHRY contributed \$20.00 as did JOHN WALLACE. [redacted] and FLECK were said to have contributed \$10.00.

During the course of the evening it was learned that WAYNE MUELLER and JOHN WALLACE have now been appointed as Group Leaders, although the appointment is not official. This makes them a step above the average member, who is considered as a Trooper.

Fish and chips and beer were served as the main course for this "White Stag". Pepsi Cola was served to those under age -- such is done to protect the organization from any charge that minors have become intoxicated while present at the headquarters building.

Following the dinner, a bull session was held with general conversation and the group sat around and sang anti-Semitic songs for part of the evening. The social evening terminated at approximately 11:15 p.m. by which time most of those present had departed.

It is noted that the local organization now has secured a dog for guard purposes at the headquarters. It is said to be half German shepherd and as yet has not received a name. This again is another step to protect the premises from recurrences of the past acts of vandalism in the neighborhood. While this dog is somewhat impressive in size and appearance, it is rather difficult to believe he is the least bit vicious; his value as a "guard" is somewhat doubtful.

[REDACTED] presided at the meeting and read a report concerning ANP activity in Los Angeles, California. He had received the report from a member in the Los Angeles group. He also reported the LA group is presently attempting to borrow money in order to purchase a building for a headquarters.

[REDACTED] also remarked that a good opportunity presented itself for the ANP to picket President JOHN KENNEDY during a scheduled visit soon to Milwaukee but that it had been decided they would pass up the opportunity and do nothing until after the trial of [REDACTED] WAYNE MUELLER scheduled for 5/15/62.

"JOE FUHRY reported that he and KEN FLECK had gone to [REDACTED] range in Lincolnwood, Ill. and engaged in target practice with pistols. [REDACTED] stated he thought this was real good and that he planned to have others go later on in the month and that they will then engage in friendly competition. He also stated he had contacted a judo expert to afford training to members and that he would take 12 in a class. [REDACTED] will arrange for those interested to attend.

"BEAUHARNAIS spent most of the evening on the telephone and tried to interrupt the meeting by starting to read a letter he had received from someone concerning ANP

activities in California. BEAUHARNAIS also told of having jotted down the license number of an automobile which followed around behind GEORGE LINCOLN ROCKWELL when he appeared at the College of Complexes in November, 1960. He stated that through a friend in the Chicago Police Department he had determined that the car was registered to one [redacted] whose residence was [redacted] Chicago. He was of the opinion [redacted] was a member of the Jewish War Veterans and he had informed ROCKWELL.

b6
b7c

At the close of the meeting WILLIAM WERNECKE appeared at the ANP headquarters. [redacted] had informed that he was coming. BEAUHARNAIS was very critical of WERNECKE as an informant, that he was responsible for the apprehension of one of the German saboteurs during World War II, etc. When WERNECKE appeared BEAUHANRAIS immediately made a lunge at him and they engaged in fisticuffs on the floor. After a few minutes others present separated them and after additional argument between them, both left separately. WERNECKE was sore at the ANP for allowing such to happen, knowing he was coming to headquarters that evening.

"After this a white stag dinner was held, with all above present except WERNECKE and BEAUHARNAIS.

"While at ANP headquarters BEAUHARNAIS suggested ANP members go down to Clark St. and watch for interracial (Negro and white) couples, beat up the male and paint the face of the woman. [redacted] stated the ANP would have no part of such activity.

At the above meeting [redacted] told of a new Nazi group which [redacted] was forming. He made fun of the group and didn't think the organization would last any time.

WILLIAM WERNECKE appeared later in the evening.

During the course of the evening as noted WILLIAM WERNECKE appeared and as he did so JOE BEAUHARNIS approached him suddenly and struck him full in the face. Both commenced swearing and struggling with each other and fell to the floor. Others separated them. BEAUHARNIS left following the altercation and later WERNECKE departed. It was not readily known what brought about the fight other than the fact that "bad blood" exists between WERNECKE and BEAUHARNIS. Apparently no serious injuries resulted from the fight although WERNECKE was noticed to have badly skinned hands. Someone commented that BEAUHARNIS just before the fight had been openly denouncing WERNECKE and it was at that approximate time that WERNECKE did appear at the headquarters.

Certain of the membership have given thought to visiting a rifle range and practicing with firearms in the near future. It is believed it would be a worthwhile suggestion if certain of the membership did this on a monthly basis.

[redacted] during the course of the evening mentioned to those present that [redacted] [redacted] had been turned over to the Illinois Youth Commission at Joliet, Illinois, and are expected to be held by that organization for approximately one month.

b6
b7c

What will happen to them following that period is not known at this time.

No new plans have been made by the Chicago organization and it appears that certain of the membership are losing interest in the activities of that group. [redacted] it is said, is dropping out of the organization and at the present time no reason for this is known.
